“ Georgia was my Confirmation sponsor. I thought she was the most beautiful, coolest friend my Mom knew. Georgia made me think of the beautiful people in novels. She and Mom would laugh about the silliest things and, for my parents, being with Georgia and John, was always a fun event. They went through a croquet phase and played in our front yard in Wilmette.

Georgia's parents were our neighbors on Central Avenue in Wilmette.

I babysat for Georgia and John's children and still remember a crazy ride home in one of John's classy cars along Sheridan Road after babysitting one night.

I have nothing but the very finest memories of the very classy Georgia Hulseman. My condolences to her children.

I was on the Eastern Shore and actually looked up the Hulseman name thinking she and John might still live there.
