

Gerald Anthony Hughes

January 3, 1938 - November 25, 2020

Gerald Anthony Hughes, beloved father, peacefully passed away on Wednesday November 25, 2020.

He is survived by his three children, Craig Hughes, Rhona Hughes Wendler and Lyndsay Hughes Comery; and his four grandchildren, Chloe Wendler, Katie Wendler, Ivy Comery and Duncan Comery.

Gerald (or Gerry as everyone called him) was born in Glasgow in Scotland. He studied electrical engineering and worked in the shipyards of Glasgow outfitting ships with their electrical systems. However his first love was sales and marketing, and he, to his parents chagrin, switched to what became a lifelong career. He was recognized later in his career for his efforts by the Chartered Institute of Marketing, becoming a fellow of that organization.

Gerry met his wife, Jean, while playing tennis and they became engaged on the top deck of a #42 Glasgow Corporation bus. They were married in 1960 and spent 57 incredible years together before her passing in 2017. They emigrated to the USA in 1981 with their three children and retired to Easton, MD in 2000 from York, PA.

Gerry loved his family deeply, and his love extended to his friends and his community. He was a volunteer with many organizations on the Eastern Shore including serving as a docent at the Chesapeake Maritime Museum (history was a particular passion for him) and as a leader in the St. Andrew's society of the Eastern shore, 'addressing the Haggis' at Burns night suppers. He enjoyed golf, especially playing with his wife even when she turned out to

have a greater talent on the links than him. They both enjoyed a glass of wine on their porch critiquing swearing golfers on the course next to their home at the Easton Club.

Funeral and burial will be private, with a memorial mass to be said when we can all get together again safely.

In lieu of flowers, the family asks that you make a donation to the Alzheimer's Association at alz.org

“ *Jerry was a dear man with a big smile. He and Jean were our neighbors for 16 years sharing many fun times together with so many Easton Club residents who came together with a love - or for some a meh - for golf. Golf rounds turned to dinners together and close friendships. Get together often included stories of their life in Scotland and the fun times with grandchildren. It was a wonderful time. We miss them both. Pam & Kate*

“ *Jerry and his beloved wife Jean were two of the finest friends we have ever had. We could always count on Jerry to make the jokes and keep us laughing and it was always a joy to be with them. Our comfort now comes with the realization that they again together and resting in peace. God Bless. Carol and Frank Lehman Jr.*

Gerry and Jean often played golf in the non-league league at Easton Club.on Wednesday evenings. Drinks and dinner followed. Jean minimized how great her game was, except for her exciting hole-in-one.Gerry was often the comedian for the group around him with witty quips, amusing anecdotes, and frequent double entendres. all delivered with his lovely lilt. He was also quite the gentleman for the ladies near him.as he helped with a sweater or pulled out a chair. He was a lovely man and will be greatly missed. best wishes to all those who loved him.
