“ If roses grow in Heaven Lord, please pick a bunch for me. Place them in my Mother's arms and tell her they're from me. Tell her that I love and miss her, and when she turns to smile, Place a kiss upon her cheek and hold her for awhile. Because remembering her is easy, I'll do it every day, but there's an ache within my heart that will never go away. Your daughter, Laurie

Dear Nora - Your Mom was homesick for Heaven and she has now reached her Heavenly home, after 101 years! She loved Jesus with all her heart and is now seeing him face-to-face. May God comfort you and give you strength in the days to come.

“ Dear Grandmother, I remember the very day you went with me while I tried on wedding gowns and you were the one who purchased it for me. You took me to Greek festivals when I was in high school to help me understand my Greek culture through my own Mom and YOU. We shared coffee and lunch in your apartment in Thurmont many times. I also remember the ice cream cone we had on Route 15 at a roadside ice cream parlor on a hot day. I remember how much you loved the 'Grandmother' memories notebook I gave you and, most especially, because you raised my mother in the Lord, I now know the Lord and so do my husband and all three of my sons. Your Godly legacy is remembered. I love you.

“ *Mom, it thrills me to know that you are walking with the Lord Jesus, Himself right now! I am so happy for you that you are free of pain and in His presence. I am trusting that you will be standing right there at the gate to greet me when my time comes. After I see Jesus, you are the next face I want to see. LOVE NORA*
