“ *To the Cannon Family: I had the privilege of meeting Mrs. Cannon when her husband was in Corsica Hills in Centreville. Mr. Cannon was across the hall from my dad and we would chat everyday. She always had a good sense of humor and loved people. My deepest sympathy to you at this time and may God heal your hearts with love. God Bless. “ To All:

I just want to say to all what a wonderful lady Gertie was. It did not matter who you were if you needed anything she would help you in anyway she could. She had the biggest heart I have ever seen. She loved her family, they were her heart. If the world were filled with people like Gertie it would be a much better place to live. She will be missed by many.##imported-begin##Patti (Hignutt) Eason ##imported-end##

“ Shirley and family,

I am so sorry to hear of your loss. I never ran into Gertie that we didn't stop and chat if even for a few minutes. I know your pain for I just lost my mother. The only thing that helps ease the pain is to know that she is out of all pain and in a better place with Tommy again. She is happy..

“ Mrs. Cannon was the dearest person. She was the biological grandmother of my adopted son, John.

I came to know her through the years and I loved talking with her. She was such a loving, caring person. I always called her Mom Mom. That title fitted her perfectly because indeed she was everyone's Mom Mom.

She was the glue that kept the family together.

This world would be a better place to live if there were more like Mom Mom.

I know she is with her Savior, our Lord Jesus and that gives me great peace in my heart.

My deepest sympathy to her family,
