Gina was one of the best people I had the chance to work with and know. Rest in peace Gina, you will be missed by many and you left a mark on all of your old co-workers and friends back at the Northern. Rest easy.

One of the best police I ever had the pleasure to work with. You truly are missed by one and all. My heart aches for your family. Although we haven't spoken in years, I am almost without words knowing that you are not with us any longer. What a true blessing you were to this world. To say that you are missed doesn't begin to express how I feel. Rest in peace my friend.
