“Debbie, Tara, Martin, your families and the entire Davis and Thompson Family, I am so very sorry to hear of Glenn’s passing. My heart is so broken for all of you. No matter how bad things get you all are there for each other, the way families are supposed to be. I didn’t meet the Davis family until I started working for Glenn at the good ole Tailgate Market in January 2003. I have a lot of wonderful memories that I will never forget. The Davis’ and Thompsons’ both treated me like family. One of Glenn’s cousins was one of my best friends in school and she sadly passed in April, 1987. I think that’s why I felt so close to everyone. I always looked forward to going to work, especially on the weekends when Mommom Chi came in along with some of her sisters. The love that family has for each other is simply amazing!! Glenn and his Mom would talk about old times, of course she would smile and Glenn would laugh at something she’d say, the stories and laughter didn’t stop with his Mom it continued with his brothers and a few of his cousins.

I had to learn to like watching sports; football and golf and of course the hunting and turkey stories. Glenn tried to explain the plays to me in football, but it went in one ear and out the other. Till this day, I still don’t know what he was talking about. I could go on and on. Tara and the Davis family, you are in my thoughts and prayers. I love you all like family. Share your memories, which I know you will, may you feel the warmth of Glenn’s love and laughter in your hearts that Glenn had for each of you. He loved his family, he was very grateful and thankful for their help in running that business, he was very proud of his family.

RIP Glenn Davis, I will never forget you, the laughter we all shared and of course the feud you and I had during lunch hour one day and I left. 😂 Thank you Glenn for everything!
