“ I know it has been almost a year since your death, but it has taken me this long to accept your death. I know we were never very close, and I know we hadn't seen each other in a few years but I know in my heart you were thinking and praying for me. I want you to know I love you and I miss you dearly. You were always a good friend and man of GOD. I know someday we will meet again, but in the mean time keep shining down on everyone who loved you.

“ Glenn-This is the first time I will get to wish you a Happy Birthday in Heaven. Many times I have walked that road with you in my heart, the morning God took you Home. I stop at the highway because I know that Angels were waiting to take you Home to God. I love you, I miss you. I thank God for the 26years I got to share with you. There were many times in my life I didnt think I had a smile in me, you not only made me smile you made me laugh. I know now there were times in your life you were sad, but you always had a smile, a good outlook on life. You were a very special person I didnt know how many people you touched in life. How you were always there to love, care and help when needed. That was a very special gift from God. At your memorial service I believe many souls were won for God because of your life on this earth. When I come Home I know you will be waiting with a smile and my special hug that always made me laugh. I Love you and miss you! Aunt Peggy##imported-begin##Peggy Sauers##imported-end##

“ Glenn used to come into our coffee shop when we were located at the outlets and he was working at one of the stores. He always had a big smile and something silly to say. When we moved the shop to Stevensville, Glenn stopped by to say hi and wish us well - that was really a nice thing to do. I was terribly saddened to learn of the tragedy of his passing. It's a devastating thing to lose someone so young and unexpectedly. I am thankful and relieved to read in the other posts that Glenn is a Christian! Amen and amen - he is now with our Heavenly Father and is at peace. God Bless.###imported-begin##Laurie @ JPJ Coffee Company###imported-end##

We had a few good times together up late even though when you stayed the night you ate me and Dom out of house and home but you good for that. It bothered me to know that you're not with us no more but you're in a better place. Your home now and I hope daddy was there to greet you along with the others.If I never told you before I'll tell you now I love you! love your cousin Tanya,Dom,& kids###imported-begin##Tanya Thomas & family###imported-end##

“ Dear sweet, funny twin brother, i will miss you soooooo much. I know i will see you again someday, but until then you will live in my heart. I do wish that more people in your life would have shown how much they cared for you, but i'm sure that now you know. You were soooo loved by soooo many, more than anyone ever realized. Just know that in your death sooooo many people will join you in heaven. You had a huge impact on people. Our birthday will be soooo sad without you here, but i know you're so much happier there with Jesus. I will always love and remember you for the goofy, lovable, annoying:), sweet, kind, unselfish, giving person that you were.

“ Dear Glen Swanns Family,

We will be forever sadden of your loss. Glen was a very nice boy to our childern. He used to babysit Michael and Samantha Granger, with his sister Tiffany. He always played with them, and did silly things with em. When we moved here 13 years ago, Glen introduced himself to us, and took our kids around the neighborhood, showing them, where and not where to go. Introducing them to our new neighbors. He told them they could count on him, and ask him for help if needed for school and etc. As Michael and Samantha grew up he would check on them, amking sure thry were on there straight and narrow path. Always asking about thier schooling and grades and careers. Since then we had 2 more childern, Glen again began to let them know, (stay outta the road, don't you even creep out here, i see you, get back in that yard you Granger girls).. He was always caring towards our childern. I wanted to let you know how special your Glen was to our family also... The children will miss him.. With our sympathy and Love and you are in our prayers every night... The Granger/Crouch Family##imported-begin##Bonnie Granger and Family##imported-end##

“ Linda and I did not know Glenn or your family or the circumstances surrounding his death but we were struck by the uncanny resemblances that Glenn shares with our son Jason.

Jason died on September 14, 1997 at the age of 26. He was a fighter pilot in the U.S. Navy on a mission in the Persian Gulf It appears from reading about Glenn that he shared that "need for speed" with Jason. May they meet in Heaven.

Our deepest sympathy goes out to all of you. He was with you for 26 years and those memories will sustain you through all the pain and suffering.

“ I have already put an entry into this book but there are things I still need to say. Other than being the respectful, thoughtful person he always was to not just my family but to everyone he knew , Glenn was always willing to give of himself to please others, and that is something that you really do not see in young men of his age . I too loved him like a son and tried to encourage him to follow Christ . I feel as though he found his way to Christ , and now is in a much better place and his family can be at peace knowing he is at Christ's side in heaven, And to His dad and mom Just know that my parents have met him
in heaven and are looking after him as well , Keep the memories alive in your heart and he will live forever with us here on earth May God strengthen and sustain those left behind and you are in my prayers. Love Kathy Hyde###imported-begin##Kathy Hyde

“ Glenn you will always be in my heart! He was a very nice person who somehow made me laugh on days even I thought I couldn't smile. He brought happiness to many people. Glenn went out of his way to please his friends, I just hope he knew how much we appreciated the person he was! It is devastating that Glenn has been taken from us so young in age! I know his family and friends will be sure his memory lives on!! We love you Glenn~May You Rest In Peace!!!###imported-begin##Jamie Richarts###imported-end##

“absent from the body, and present with the Lord. 2 Corinthians 5:8. I am so very sorry for your loss of Glenn. I loved that boy like a son. He always made me laugh and honestly he had the kindest heart of any young man I knew. Always willing to help somebody and put himself last. We talked about the Lord on many occasions and he was truly a believer. Although I am sad for myself and my daughters who also loved him (Ashli and Mallori) I am happy for Glenn because now he is really home. Glenn struggled sometimes on this earth, but that is all over He will be eternally joyful now and I look forward to seeing him again one day. God bless you all.

John 3:16 "For God so loved the world that He gave his only begotten son...that whoever believes in Him shall not perish, but will have eternal life."

For all of Glenn's friends out there, learn about the Lord and accept his free gift of eternal life. He died for our sins. He took the punishment for us. Belief and acceptance of this free gift is our only way to Heaven. Our only way! "I am the way, the truth and the life. No one comes to the Father (God) except through me" John 14:6.
