“ So sorry to see this years late. Gloria parents y my neighbors in the 1950s on going in Monroeville PA. Grew up with them and the “boating gang & ski club” at Yough Dam. I have her Dads first painting he did as our wedding gift. What organist her parents were. Many great childhood memories with Gloria.

“ Gloria joined the Blue Heron Ladies Golf League in 2006, after retiring from running the concession stand at Hog Neck Golf Course for many many years. In 2008 she was the Blue Heron club champion. Over the past decade she's been an invaluable part of our league. Many others have talked about her love of golf and her generous spirit in helping all of us who could learn much from her. Next summer we will be adding Gloria's name to our BHLHL Memorial bench. We will continue to mourn her as we rest on that bench, looking out over the back nine at Blue Heron and remembering many of Gloria's Glory Days...

“Gloria was always so charming and considerate of everyone. I had the good fortune to share in a foursome with her in July and she could still out drive all of us. However, no matter what shots come from the rest of us, she found something positive to say. What a lovely lady she was. It was a privilege to know her. Shirley Hatch

“ I was a new golfer when the women's 18 hole group was formed at PBCC. Gloria was part of that group and already an accomplished golfer. I think she won the first championship. I have treasured our friendship all these years and will miss connecting with her. Rest In Peace, Gloria.

*Unfortunately I will be out of town on a business trip the day of the visitation so I will be unable to offer my condolences to her family in person. My deepest sympathies to each of you.*

*In loving friendship, Ellen Myers*
