Gloria was such a special lady. She was a friend of my fathers (Tom Emerson). I did not get to spend as much time with her as my siblings did because I always lived so far away. But she always made my father happy and always made me feel welcome when I was home. May you, the family, feel the love of the Lord during your time of need and always. May he hold you close and help you endure all of the heart ache that you are feeling at this time. I will ALWAYS remember your mother fondly, may she rest in peace.
