“ Sorry to hear about your mom. She was very special. The lord has now called for her to be with your dad. They, being my god parents, will greatly be missed as I remember many good and fun times we had. Now she can rest without pain and be at peace in the hands of God. Our thoughts, prayers and condolences are with you and your family at this time of sorrow. Love Dan and Linda

Hi Susan, just a quick memory to share as there are so many. Has Jerry ever told you about all the times our families would get together and for some reason Jerry and I would get in trouble somehow(lol) and Aunt Gloria would come and pull the hair on the back of our heads and yank upwards and we would be yelling. so I went and got a flat top so she couldn't pull my hair then she would just pull my ear. She was fast. I still think about those times and laugh. I hope this made you smile. Love, Dan
