“Gloria was such a nice lady. She was always smiling, she will be missed a lot. She would love to go places and always laughing and enjoying herself. I know her Aunt Louise misses her, they did a lot together and had lots of fun.

*God Bless, prayers to the family....*

*Sincerely, Sandy Evans*

“So sorry to hear of Gloria's passing. Have known Gloria since grade school (boy that was a long time ago).. Haven't been real close since graduation until the last couple of years, after she retired completely, and she would come to our "52 girls" luncheon at my house in the fall and we would reminisce about our school years and enjoy getting together with our small group of girls still around. Had lots of stories to tell and enjoyed being together. May she rest in peace. Janet Deroy

“ Sometimes when I open my mouth my mother's words come out. Memories of her are simple, she was the strongest , toughest, one of a kind, most independent woman I ever knew. Life gave her challenges but she always found a way, after all that's what life is all about. She was a single mother when there weren't many, if I lacked for anything I never felt it. Family came first with her. i feel like I am a strong woman today because a strong woman raised me. My lesson to everyone, Love the people God gave you because someday he will need them back. Love you always, Anne
