“ *Bud always had a smile and some advice to share with me at CBF. I appreciated his candor and kindness. He learned my name so quickly and it was always great to see him at the office. My thoughts are with his family and loved ones during this difficult time.*

“ Seeing Bud each morning at CBF was one of the highlights of my day. He was always curious what I was up to that day and it was clear he truly cared for those around him. I am thinking of his family at this difficult time and am grateful to have known him for the time I did. -Kellie Fiala

“ I met Bud when he worked at CBF. We had some fantastic conversations about life and things that made him happy. He loved pressing the automatic door opener to let me in the building. He would then announce that his royal highness had arrived. Made my day! A true gentleman. Great to have known him. Peace, Jon Mueller

“ Having worked with Bud at CBF I can only imagine he was a wonderful husband, father, and grandfather and I extend my heartfelt sympathies to his family. I will always remember him as being a ray of sunshine with the warmest, loveliest smile. A wonderful man I'm happy to have had the honor to know.

“ I worked with Bud at CBF - I loved chatting with him. He loved to show pictures of his grandchildren. One of my favorite games to play with Bud was any time he would wear his MARCO tshirt - from Marco Island, a treasured family vaca spot it sounded like - when I would pass him in the halls, I would say (loudly) "POLO". Sending loving thoughts and memories to Bud's family...he was a gem amongst men. ~Jo (and Bud was one of only a few people who knew my full first name of Joellen...and now I know his. God bless you Godfrey. xoxo)
