

## Gregory Ryan Dodge

September 16, 1971 - December 17, 2023

Gregory Ryan Dodge, 52, of Queenstown, Maryland, passed away surrounded by his loving parents and daughters on December 17, 2023.

Greg (Skully) grew up in Bowie, Maryland and worked for the City of Bowie public works for close to three decades. Most will remember Greg by his charismatic and obstinate charm. He was most likely the kid disrupting your class to get everyone to laugh, and/or the grown man behaving like a giant kid out at the bars you frequented.

Greg was the kind of guy who could gather everyone's attention, no matter the situation. He loved to sing, dance, and tune the world out to his favorite bands. But most importantly he was the comedic relief at the most inappropriate of times.

While in recent years his bike went undisturbed, his heart and soul forever rode two wheels beside his chosen family.

He is survived by his parents, Marc and Sharon Dodge; his three daughters Faith, Bryce, & Lexi; his nephew, Jaden, and his five beloved grandchildren, Gracelynn, Rowyn, Zoey, Sonny & Mackenzie.

He is preceded by his sister Tamara Dodge, and his fiancé April Groh.

There will be a service held at Fellows, Helfenbein & Newnam in Chester, MD, Wednesday, December 20, 2023, beginning at 11am with a time for visitation one-hour prior beginning at 10am.

In lieu of flowers we are asking for memorial donations to be made to the Julianne Rosela Foundation at <https://juliannerosela.org/donate/>, a local non-profit organization that helps families in crisis & provides educational funding for local students.

We would also like to extend our appreciation to the Julianne Rosela Foundation for helping in recent years with your support and generosity to our friends and loved ones.

“ *Greg, just left your service. It was a good one and I'm sure you liked it. I was going to stop by the Jetty and tilt one with you but decided I better get home (long drive to OC). You'll have to tell me how happy hour in heaven is, and Greg, when you have the time, reach out in some way to Bryce and Lexi, and let them know you are really happy and for them not to be sad. Later my friend.*

“ I have known Greg since high school and then we both ended up working for the City of Bowie for many years together so I was able to get to know him and his family very well. I will always remember Greg's laugh, even in a group of kids or surrounded by people you could always hear Greg's laugh over all of the others. Always made me smile to hear it
