“ Guy was the epitome of a true gentleman—always. He was sincerely concerned with your well-being and if he could make your day better, he would. Guy was a true family man who loved his family and those around him. I never heard a negative word from him. He was highly respected by our family—Tom, Robin, and Ashley Jameson. Even though we had grown apart only by distance, we will remember him always as a kind individual. Rest in peace, Guy. You will always be remembered.
The Jameson's.”
