

## Guy Kenneth Miller

May 3, 1956 - May 17, 2022

Guy Kenneth Miller, 66, of Cordova, MD, passed away at home on May 17, 2022, after a brave battle with ALS. He is predeceased by his mother Irene Broyhill, and brothers Timothy and Eric Miller, and is survived by wife Cynthia Miller, children Michelle and Jonathon Brewer, Danielle and Christopher Duschel, Cameron Miller, Macyn Miller, and granddaughter Layla Brewer. He is also survived by parents Paul and Mary Miller and Jerry and Maggie Broyhill, brother Scott and Margaret Miller, and sister Rene and Jeff Ryals.

In his early years, he built residential and commercial buildings across Maryland from his self-started business. He used those talents to later serve on the Architectural Committee during the construction of an expansion at Christ's Church, Kent Island, MD. He earned a B.S. in Computer Science and nearly a M.S. in Cybersecurity from UMBC. He retired from NSA after 38 years of government and contractor service and played on the Agency's volleyball and softball teams. In his spare time, he was involved with the Boy Scouts with his son Cameron, cheered on his kids at their sporting events, and took his family to his favorite place on earth, Walt Disney World.

Guy was a kind and loving father who would do anything to provide for and spend time with his family. He found joy in model trains, anything Disney, and the outdoors. Although he will be missed, those who surrounded him find solace in knowing that he is no longer in pain and has joined his mother and

brothers in heaven. As the third member of his family to pass away from ALS, we pray that a cure will be found for this tragic disease.

A visitation will be held at Fellows, Helfenbein & Newnam Funeral Home, 106 Shamrock Rd. Chester, MD 21619 on Monday, May 23, 2022 from 2PM – 4PM and 6PM – 8PM. “ *So sorry to hear about Guy's passing. I saw his name on a list of people at work who had passed. We worked together in our 20's. A bunch of us used to go out dancing at the Cancun Cantina. Those were fun times. He used to talk about Michelle all the time. It wasn't hard to understand how important she was in his life.*

“ *I just came back from leave and was told that Guy had passed. I'm so sorry to hear this. Guy was, and remains, one of the smartest people I've ever worked with. When I was about 21, he took nearly a whole day at work to teach me network basics. He had such patience & kindness; it was clear that it was important to him that I understood it. I'll never forget that, as a young woman in a male dominated career.*

“ *When I was just 15 Guy gave me my first job working for his construction company. The work was tough , and sometimes since I was not the expert, I would make a mistake. No matter what I screwed up Guy would never get mad. He would just smile and show me the correct way of doing it. That's just the type of person he was. May god bless his family and friends in this difficult time, and may they take peace in knowing he is no longer in pain and is smiling down upon everyone who knew and loved him. Jimmy V*

*Thank you Uncle Jimmy! My mom still tells stories of when you were helping my dad and Uncle Tim and you knew nothing about construction and how they would kindly show you and tell you the correct way of doing it. Lol. Thanks for sharing!

“ I am happy to call Guy Miller my friend. He was the nicest person I ever met. I will always remember the story he told of the time he and Michelle were at Disney. They ended the day long visit to Magic Kingdom on the Dumbo ride - where Michelle fell asleep in his arms. I had the chance to do that very same thing with my grand daughter Camryn a few years back, When Camryn fell asleep and I had to carry her back to Saratoga Springs, dressed in her snow white costume, it reminded me of the story and experience Guy had told me of that trip he had with Michelle. Something I will never forget.

*Guy rest in peace my friend.*

*That's so beautiful, thank you so much for sharing. I have so many wonderful memories of going to Disney with my Dad. He's definitely passed on the "Disney love" to all of his children.*

“ Guy you were one of the sweetest, gentlest, kindest, person I ever had the pleasure to know. I always had the utmost respect for your visits with Michelle as she was growing up and how faithful you were to her during that time.  
I am glad I got to see you several times this past year. Your smile and laughter were contagious.  
I know you are no longer in pain or suffering and I thank the Lord for that. In fact, you my friend are walking the streets of gold and have met our Savior Jesus Christ. I look forward to seeing you when I am called home. Praying for your family during this difficult time.
