“ I'm so very sorry for you loss. You don't know me but Hailey did. I was one of the substitute teachers she had in elementary school and my daughter was the year behind her in school. I want the family to know that I enjoyed subbing for Haileys class she was a fiery ,very intelligent ,and honest person who will be missed greatly. She was always kind and had a smile that would light up a room and her laughter was contagious. She will live in the hearts of all whom she touched forever. Hold on to each other and know Hailey is not far away !

My goodness, how much tragedy can one family take? Cindy, I remember Hailey coming to my house to play with Charley and Erin after her Daddy’s death. She was such a kind, gentle little girl. I am so sorry for your loss. My heart goes out to the entire family which shared the blessing of this young girl for 15 years. May God bless and carry you all through the difficult days ahead.
