October 17, 1931 - July 3, 2022

Harold Glen Higgs of Centreville, MD, passed away peacefully on July 3, 2022. He was 91 years old.

Born in Baltimore, MD, on October 17, 1931, he was the son of the late Harold E. Higgs and Hilda C. Higgs (Radke). He was preceded in death by his wife of 62 years, Mary T Uhl.

Harold served in the U.S. Navy from 1951 to 1959. In 1952, he received a certificate of achievement for his meritorious service in connection with the atomic energy testing at Eniwetok-“Operation Ivy.” He was honorably discharged in 1959.

Harold worked at the Acme bakery in Baltimore as a dough maker. After retiring in 1979, he and Mary re-located to the land of peaceful living, the Eastern Shore of Maryland. There his career took him to Great Oak Landing in Worton, MD. He worked there for 10 years.

Harold enjoyed working in his yard, rabbit hunting with his beloved beagles, crabbing and fishing.

“ *I talked to Harold every so often and he told me that he would make sure I was aware of what he was going through by Tracey. I'm extremely upset that he was dead and buried without any close blood relatives that I'm aware of. I have a son who was named for my brother-in-law, that was shocked by the news. Harold had told me he was having trouble with his legs and getting to the phone and of course, everyone knows he had trouble hearing at times. Even after I got his cell phone number the calls were short because he said the meds to help with the swelling of his legs made him have to go to the bathroom frequently. My other son, Rob, had stopped in to see him the year before. You have to understand that when you live in another state, visits aren't as often as you would like. It sickens me that the wife of a 1st cousin 1 time removed would exclude the children of Harold's sisters and brother. I don't believe cousins, let alone one married to one that was only a 1st cousin once removed, should have been able do exclude the closer family! I went to the cemetery and they didn't want to talk to us because according to them, his family wanted that way. I protested that his niece by blood was with me and it didn't matter. They didn't want to get involved. I was glad to see that a headstone has been put on the grave for Harold and Mary since Harold's death.*

*I worked the night shift with Mr. Harold years ago at Great Oak. He and Gary too, made me feel safe in that huge empty place at night! I have thought of them both over the years! Many good times we had together! I am sorry to hear this news! Rest in peace Harold, and look for my Mom, Stephanie, she just died on 7/14/22, she was 79! She will be with my Dad, Sidney, leading a big party!
Love, Alisa Anne*
