“ Dear Harriet! You were a great friend and a very special person. I was privileged to have you on the search committee that selected me; to serve with you on the music committee; to have you as a faithful and knowledgeable participant in our parish study groups; to have you as chair of the Episcopal Church Women; but most of all to have you for a friend, even after I retired. We had a lot in common, including love of the arts, music, classics, religion, philosophy, politics, etc. Who else do I know that could quote *Antigone* or *Clytemnestra* from memory - in Greek! Or remember every verse of Gilbert and Sullivan's "Major General." Thank you for your repeated hugs when I saw you June 11. Thank you for your musical hug, when you sang "On Eagles Wings" over the phone to me, the last time we spoke. I am so glad that you are no longer suffering, and that you have gotten your wish to go Home. I know that your beloved son Lee is with you now. No one was a better mother to her children, a more faithful friend, or a better Christian. "Into paradise may the angels lead thee; and at thy coming may the martyrs receive thee, and bring thee into the holy city Jerusalem. Amen." Charles Walthall
