“ *I miss you Mom each and every day. I am happy that you are with Jesus and are no longer suffering. You are pain free forever! I have wonderful memories to draw on for comfort. I am always happy to tell people I am your daughter. You gave me good morals to live by, you were a giving and thoughtful person to all those who came into your life. It will be a glorious day when we are all reunited through our Lord Jesus for Eternity!*

Your loving daughter,

“ Grandmom,

There isn't a day that goes by that you are not in my thoughts! I miss you so very, very much! I look at your picture and remember all the fun times we shared and all the things that you taught me! Our trip to Paris, Illinois was so very special! I know you are up in Heaven watching over us each and every day. I'm glad that you are at peace and no longer suffering. I look forward to seeing you again when Our Creator calls me home. All my love, forever and always.
