“ *I worked with Harry at the Merced Sun-Star. He was so handsome I could barely speak when he was in the room. I was so happy he went on to be so successful in his career and had the love of a wife and a sweet dog. I was heartbroken to find out he had passed away. I hope his family has many wonderful memories of him to carry with them.*

“ I work at the boarding kennel where Elvis is staying. I was with Elvis when we heard the news about his Dad, Harry. I have done all I can to make Elvis' stay the best it can be until he goes home again. He is a wonderful dog and has touched my heart forever. I had him with me as much as possible -- helping me do my chores, and any extra play time I could give him.

I am so very sorry for your loss. RIP Elvis's Dad.##imported-begin##Kimberly Benny##imported-end##
