“ *Steph,*

We are so sorry for your loss. It was always quite apparent how much your grandfather meant to you in conversations and in your wall postings. We are praying that you can find peace in knowing that he is in the hands of God and that he is watching over you constantly. I firmly believe that when our loved ones leave us it is so that they can watch over and keep us from harm - from the other side. This way - he will always be with you to watch over and keep you. Stay strong. Love you bunches. Vanessa and Will

“ *Rosemay:*

So sorry to read of Dale's passing in the paper this morning. I remember the first time I met Dale at Miss Helen's house many years ago. He saw me sitting with no drink in my cup. He said let me fix you a drink, no need to be bashful here. I said it's okay, it's my mother in laws house. I know where they hide the good stuff!! We laughed about that for years!

Please pass our condolences to the children and family. Dale will be missed by many.

“ A favorite memory of "granddaddy" was Memorial Day 2014 as we were all leaving grandma and granddaddy wanted a picture of everyone there so we all piled in the living room and he kept yelling for my family to get in because we were family too. The Christensens make everyone feel like family and what an amazing family! We love you all .
