“ *To Pam and all the family,
Our hearts are with you during this rough time. Your family have been such a blessing to our family in the past. When someone in our church family (or past church family) hurts, we hurt. Pam, you have been such a blessing to me. You helped so much with anything that was done with our Sunday School class. You are a worker for the Lord. Continue with what you're doing. I know you are strong and your faith will get you through. We will see him again. Lots of love. We will keep you and your family in prayer. Love in Christ, Debbie (Dennis) Kochel and family*

“ Harry is and always will be my best friend. He may not be here now, but his spirit lives on and Vera and I will talk with him frequently. For 55 years, neither distance or other circumstances kept our friendship apart and so it continues. A good gentle giant was called home so early in life and he will be sorely missed by so many whose lives he touched in some manner. Our hearts ache for Harry and of course Pam, Ray, Beth and Anna and Travis. Such good people.
