Ray Landon, age 86, passed away Monday December 6, 2021 in Easton, MD after a brief illness.

Ray was born in Sherwood, MD to Harry and Goldie (Harrison) Landon. After graduating from Easton High School and the University of Maryland, he pursued a career in the electric power industry, retiring in 1998 as Executive Vice President and member of the board of directors of Delmarva Power in Wilmington, DE. During the course of his career he also completed additional business management programs at Georgia Tech and Harvard Business School. Born and raised on the Eastern Shore of Maryland, Ray, along with his family, enjoyed everything the Shore has to offer, especially sailing, power boating,

fishing and hunting. He served as Fleet Captain of the Cambridge Yacht Club after his retirement. When he wasn't on the water with his family, he was playing tennis or golf or, in his early years, coaching his son's baseball team.
