“ Skippy was my carving instructor for years (along with great help from young Michael). In addition to learning about decoys and carving from him, I also learned a lot about friendship, history (the History Channel was always on in the garage), and integrity, as well as a lot of really bad jokes. His patience seemed to be limitless, and his enthusiasm was infectious. Although I was sorry when he decided to move to Hurlock as it meant our garage sessions had to end, he was ready to move. I will continue to miss him.

“ Curt & I will miss you at our yard parties. I personally will miss your hugs and kisses seeing your smiling face. And lets not forget your singing at the VFW. Every time I hear "He's In The Jail House Now" I always and will always think of you. You sure did know how to spread you happiness. Although we were unable to attend your services our thoughts and prayer are with you and your family. God gained another great Angel when he took you. You will be greatly missed by all of your friends and family.

“ What a great man! We met Mr.Skip only a few years ago but have felt like he became apart of our family! We was always willing to help out in any way he could. We looked forward to his visits. There was no mistaking his love for his family. Our boys enjoyed the time they got to spend with him working with the cows. They will always charish the times they got to hunt together. He will be truly missed by everyone who met him here at Great Expectations Farm!!

So shocked & sorry to hear about Skip. Dad and I sure did enjoy Skip and family coming down to virginia to visit and fish. We also enjoyed coming up to Skips and going fishing. He would give you the shirt of his back. The world would be a much better place if everyone were like Skip. May God bless Skip & Family.

“ *What can I say about Skip. He was loved by all, and a very special man. Even though he was not really my cousin (he was married to my cousin Joan), he was more like family to me than some of my own family. I will miss him terribly....*
