All of us here at Partners In Care will miss her so very much. Every time she called she was always a ray of sunshine, very upbeat and always concerned about how WE were doing. We have truly enjoyed taking her to her appointments and it was rare occurrence when we couldn't easily find a volunteer to take her. In fact she often had more than one offer to take her. She was especially loved by Ed Davis and Gail Cavanaugh. Between them they took her on at least half of her 216 trips with us. Helene was one of our very first members, as she joined Partners In June of 2010. She was a delight. We were blessed to have had her as a member. Pam O'Brien Director Upper Shore Partners In Care.
