“ Dear Shirley & family,
Adrian and I were saddened to learn of Gene's passing. We know it is not easy but now he is at peace. You all have been so caring for him and I'm sure it made his life easier. May the happy memories of all the good times you shared somehow help to ease the pain and just know that he is in a better place now, looking down on all of you. Our prayers and thoughts are with you and your family.
