“ *A long time friend of my mother and grand father, Junior Kemp meant a great deal to them both. Most recently my, my mother. I remember him from when I was a child and those were good times, so Junior has been known by my family during his younger days and his older ones. I'm told he was just as sharp in the older as the younger.
I know he will be missed.*

Junior has been in my life ever since I can remember and was always the big brother I never had. We fought like brother and sister and we loved like brother and sister. He loved you, Joann, with all his heart and I am so happy that you had been able to spend time with him over the last few years. It made him SO happy. He will be missed more than I can say.
