“ *Sending love and prayers to all of Aunt Hilda's family and friends. Aunt Hilda was always kind and loving to me. I have many fond memories of spending time on the front porch with the girls, playing Barbies and Mom Mom Bessie, Miss Bessie, Aunt Hilda, Aunt Nora, Aunt Marie and Uncle Cecil in the kitchen. We always had a hot lunch, it was a full course meal on our divided Styrofoam plates. I love you Aunt Hilda! God bless, love, Mary Lou and Autumn*

“ Dearest Aunt Hilda

Though I'm saddened by your passing, I'm very happy to have been a witness to a small portion of your amazing 90 years on this earth. You have impacted so many lives in your short time here. Mine being one of them. Not every family has a Favorite Aunt, much less a Unanimous Favorite Aunt X 3 generations. Tag!! You're it. All the fun ventures and excursions with your nieces during their childhoods have left them with pleasant memories of the aunt they couldn't wait to spend time with on your weekends home from Baltimore. I'm very thrilled to have been privy to some of these stories, secondhand of course, often with an added twist or freshly remembered tidbit that make them even more interesting or funny. Thanks to you and Aunt Nora, I learned what it is like to experience "Sunday Dinner at the Homestead" with family and friends gathering to share a meal every Sunday just for the fun of it. On special occasions, the Homestead was the place to be for the Entire Extended Family to assemble and celebrate; and the one time when the "No-No Room" wasn't off limits. Where the background in Gift Exchange pictures never changed year to year; The "No-No Room" Reading the "trash paper" Enquirer, Star etc. and doing the crosswords in the back will never be the same as well as watching you and your nieces, great nieces and nephews put together a 1000 piece jigsaw puzzle on the specially made varnished flat board that lived under the couch til next time.

*I'll miss fixing you breakfast every now and then and accompanying you to a doctor's visit that almost always ended with a Arby's Reuben, fries and a milkshake from Downey's on the next block. This is just a few of the sweet things that will always keep you in my heart. No need for sadness. You LIVED and You DID IT RIGHT.
Love you Auntie ☐*

“ To my dear sweet precious cousin Hilda. I will always cherish the wonderful memories that were created over the many years. I remember as a young lad when i spent the summer in Rock Hall. i came to love the awesome cooking that took place at the Taylor Homestead. The soft shell crabs, crab cakes, crabs, homemade applesauce(that must have had 5 lb of surgar) fresh corn on the cob, and best tasting cantaloupe from Uncle Cecil garden. I came down to Rock Hall as a skinny little kid n went back home as a heavy weight kid. To the time when said to me watch mother chase that chicken all through the back yard, and i think i lauughed so hard!!. To the time you , Nora and my dear Aunt Bessie worked me so hard out in the potatoe field that i had dreams all night. And the memories go on n on. Thank you for all of the precious memories n laughs we had over the years. You will be truly missed. Love you.
