“ Dear Jeannie and siblings. I am very sorry to read that your mother passed away. I dont believe that I ever met her but I know she must have been a great lady to raise you children in such a fine way. Jean, I still remember the times when I would come to your house as a teenager and how kind you were to put up with us girls. My thoughts and prayers are with you at this time. May peace surround you and your family.##imported-begin##Sharlene Bullen##imported-end##

“ Linda & Family-
I am sorry to hear of your mother's passing, but what a wonderful, long life she had! I know that caring for an aging parent has it's definite rewards, but can also at times, be very frustrating and time consuming. The attentiveness and compassion you demonstrated by opening your home to her does not go unrecognized. You should feel at peace with yourself knowing that you cared for her in a home setting for as long as you possibly could. May your fond memories comfort you at this difficult time.
