

Holly Ewing Baker

December 20, 1950 - January 9, 2024

Holly Ewing Baker passed away peacefully surrounded by her family on January 9th, 2024 at the age of 73 after a brief illness. Holly was born on December 20th, 1950 in Easton, Maryland to the late Thomas R. Ewing and Mary J. Ewing. Holly grew up in Grasonville, Maryland where she was the name-sake of her parent's restaurant, which opened in 1955, the well-known and beloved Holly's Restaurant.

Holly graduated from Queen Anne's County High School in 1968 with a plethora of lifelong friends. She then married her husband of 54 years, Wheeler Baker, in 1969. In 1971, Holly and Wheeler opened Baker's Liquor Store and Deli in Chester, Maryland. Those who knew about Kent Island, knew about Baker's Liquors as it served as more than just a liquor store. Holly knew how to make any person who entered the store feel at home. Many years of partnership were well spent as Wheeler conducted sales at the storefront while Holly managed the finances and kept the engine running behind the scenes. After 51 years of running not only a successful business, but an eastern shore hub of entertainment, Holly and Wheeler retired together in the summer of 2022. During their retirement, they spent more time together than they ever have, which only proved to strengthen their lifelong love for one another.

Holly and Wheeler moved their family from Grasonville to Kent Island in 1973

while busily raising their children; Jason Baker, Gideon Archey and Jordan Baker in Marling Farms. Holly loved spending her time with family and friends at the beach in Ocean City, Maryland, during long trips to Disney World, and traveling across the country to hydroplane races with Wheeler and their children, and in later years with their grandchildren. Holly was the matriarch of her family and as a friend to countless people in her life. Being the matriarch, she always had an answer for an issue that you didn't realize existed, and was absolutely always right. Holly also knew how to keep her loved ones, family or not, entertained for hours with her timeless stories, fireside chats in the living room, and off-color jokes that could warm you to the core, usually followed by or in the form of a show-tune. Holly's legacy to her family and friends is her pizzazz for life. She took on life's turns, trials and tribulations with courage as well as a sense of humor that will forever be remembered.

Holly is survived by her husband Wheeler Baker; son Jason Baker; and daughter, Gideon Archey. She is also survived by Mitchell Andrew and his wife Tami Andrew and Katie Long whom she raised as her own children. Lastly, she is survived by her posse of grandchildren; Regan Baker, Sydney Archey, Lindsey Baker, Peyton Songer, Caden Baker, Isabella Baker, Olivia Baker, Jory Long, Braden Andrew, and Karly Andrew; sister, Mary "Cissy" Roseberry, and sister-in-law, Kay Ewing Maloney. In addition to her parents, she is predeceased by her brother, Tommy Ewing and daughter, Jordan Baker.

A visitation will be held at Fellows, Helfenbein & Newnam Funeral Home in Chester, MD on Sunday, January 14th, 2024 from 2pm to 5pm. Burial will be private.

In lieu of flowers, memorial contributions may be made to the Chesterwye Center in Grasonville, MD.

“ Mom...nobody has the answers to our problems. That was your calling. This family is and will never be the same without you. Dad is trying bless his heart. I miss your optimism and your ability to pull me out of my “funks”. I know you and Jordan, Aunt Cis, Mom Mom and Pop Pop, uncle Tommy, Little Jimmy and now Robo are with you. We are still putting the “fun” in dysfunctional. Livy and Bella talk about you a lot and miss you so much. Dad understands now what you meant when you told him you were leaving him a mess! I Love you, always did and always will. So until we meet again, give everyone ANGEL kisses and a few extra for Jordan. I also hope you have met Tommy Hooper...the two of you would have loved each other. See you in Heaven Mom...miss you dearly❤️

“ Holly and my family lived around the corner from each other. Our children would play from morning to night- had a great time. Even then, she was a "Guardian Angel " to hundreds of people. In 1981, my life turned and Holly came to my rescue for my son Thomas and me. Without her, we would have never survived. Although, she is not with us, we can continue to ask her for her prayers.

God bless you Holly and the family.

“ Wheeler, I am so sorry! It didn't take long listing to you when you would talk about Holly that you loved her very much. When you are a really caring person as you are. I think the pain of losing someone as special as Holly is harder than what most people can understand. Again I am so sorry! Take care.

“ Brad and I lived a short time on Evans Avenue, walking by her house to the bus stop, her sister, asked who is "that ugly skinny girl", Holly, made me feel much better as she said her sister could be a mean girl, Years later, entering Sissy's beauty salon, she said "don't I know you?" Yep, "I am the skinny ugly girl," her replied, "the fairy tale is true, ugly duckling turns into a beautiful bird." When Bill and I would enter Holly's, here come the "love birds" the usual guys?, plate of fried clams and 2 cokes! She was such a fun person. I know Brad would always say, "down day", I go to Baker's, Wheeler would listen and Holly made the dark moment into "what is wrong with you Brad?" "you can handle anything. Wheeler, my old friend, you are in my thoughts and prayers. Family, friends and wonderful memories will get you through this very sad time. Peace be with you and your family. We are so sorry to hear of Holly's passing.
