

Honey Crouch Wood

March 26, 1925 - June 27, 2017

Lois R. "Honey" Crouch Wood of Rock Hall, MD, died on Tuesday, June 27, 2017 at her home. She was 92.

Born March 26, 1925 in Piney Neck to Charles and Amy (Ashley) Crouch, she lived in Piney Neck and attended Piney Neck and Rock Hall High Schools. After high school, she graduated from University of Maryland. Honey spent her youth and younger years with her family and friends in Piney Neck on the waterfronts, boats, and at her grandparent's businesses, Crouch's Store and C.H. Ashley & Son Oyster and Crab House.

On June 20, 1948, she married Cordray Wood of Eastern Neck Island, after their mothers arranged an encounter unbeknownst to them at Durdning's Store on Main Street in Rock Hall. He predeceased her in October of 1996.

Honey enjoyed being an educator for 31 years in the Kent County Public Schools system. She taught at Millington High School, Chestertown High School, Rock Hall High School and Rock Hall Middle School, as well as the GED program in Rock Hall. She was also a photographer and writer for Kent County Educator Publication. Honey operated an Antique Shop on Bayside Avenue and Wood Commercial Refrigeration and Air Conditioning with her husband. She painted names and hail ports on family and friends' commercial and pleasure boats. Honey was also a realtor with Hogans Agency for 33

years and Gunther McClary for two years. She received several real estate awards.

She was Grand Marshall of Rock Hall 4th of July Parade in 2013 and was a member of the Bay Area Realtors. She served on the boards of Rock Hall Museum, Rock Hall Yacht Club, and Kent County Library. She enjoyed exploring ancestry, playing Rock Hall Poker and Pitch with her Rock Hall card club for over 60 years, working, talking about Rock Hall, being with her animals, being in the water, crabbing, fishing, enjoying fish fries and crab feasts, skeet shooting, doing handwork, going on trips, cooking, and dancing. She won several skeet shooting tournaments at Rock Hall Yacht Club.

She is survived by her daughter, Robin Wood Kurowski and husband Ed; granddaughter, Laura Kurowski Nadel and husband Joe; great-granddaughters, Alexia and Lyla Nadel; and many other family members and friends.

A memorial service will be held on Sunday, July 9, 2017, at 1 p.m. at the Rock Hall Yacht Club.

In lieu of flowers, contributions can be made to the Rock Hall Marine Restoration & Heritage Center, P.O. Box 12, Rock Hall, MD 21661 for boat building and restoration projects or the Kent County Waterman's Association, 6645 Rock Hall Road, Rock Hall, MD 21661 for scholarship and oyster restoration projects.

As one of only a couple woman Realtors in 1985, I met Honey and she became a great friend and mentor. I became a better person for knowing her. We shared a great sense of humor and I can still remember the punchline to one of my favorite jokes she told me...and she had many! She was always classy and sassy. You couldn't help be infected by her humor and grace. She was the kind of person who was the salt of the earth and a pillar of knowledge with a zest for life, surrounded by friends and family. Honey the world was a better place because you were here.

*We were so fond of Honey. She was determined to sell us a Rock Hall home and so anxious for us to love Rock Hall as she did! She was a classy lady with a marvelous sense of humor!

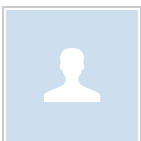

We'll all miss her!*

“ Honey was my favorite lady in the whole world, always smiling, wise and full of life.

When she sold the house to us on Lawton Ave she insisted that I tell her the name of the company I worked for in New York as a dress designer. I told her that it was an insignificant company and that she would not know it. Gay Boyer.

It turns out that my boss's best friend owned the Butterfly Bush Boutique in Chestertown and that Honey modeled for them. She had a whole closet full of my designs! Small world we live in. I will never forget her crazy parrot and my Mikey's (Westie dog) reaction. He loved to visit..

I will miss you dear friend.

Sincerely, Sandy Mayer, Hank and Mikey

“ I was so saddened to hear about Honey Wood's passing. We were members of Nu Chapter of the international women teachers society, Delta Kappa Gamma, for many years, of which I am still a member. She served a term as president of the chapter for a two year duration many years ago. I remember how she could light up a room and was so easy to talk to. She belonged to the chapter with many wonderful Kent County teachers as well as women from Caroline, Talbot and Queen Anne's. I most recently saw her at Aqua Fit and reconnected. To say she lived a full life enthusiastically with so many interests and pursuits is an understatement. She enjoyed life to the fullest and will be missed by many. I am happy that I was able to know her and witness her zest for life. She exercised independence and confidence by changing direction with her life's work and skills. She was truly a lady with a great spirit.

Robin and family: Prayers and thoughts with all of you during this most difficult time. Losing your mom is hard, there is only one. Through the testimonies on this page from many friends and fb, you know with out a doubt how much Mrs. Honey was loved. I had the pleasure of speaking with her several times and will treasure her kindness forever. She loved our store and told me many times how nice it was. What a lady and indeed a lady she was. I am so thankful you have so many memories within your heart and you have shared them. May God give you the needed strength in the days to come. God Bless. Peggy States Edwards and Carlton Edwards

“ I learned how to properly pick a crab at the house on Grey's Inn Creek where I ate my first hard crab. Honey taught me that even I could buy my first real estate as a single woman. She taught me that it was stylish to stack my favorite bracelets on one wrist. Honey always said that school should never interfere with the learning a child received on a family trip during the school year. I also learned so much about teaching with a sense of humor with her wonderful stories from the classrooms in which she taught. She was a mentor and role model, but mostly a great friend. Thank you so much Honey. I am a better person for knowing you.

Robin I am really at a lost for words, Ms. Wood was one of the ladies in good ole Rock Hall that you just never forget. When Daddy passed away she made it a point to call us to offer her condolences and that was so sweet of her. She was just an all around beautiful person inside and out. Like I said before I don't know how you feel but I truly do understand. And as always God doesn't make a mistake when he calls you home. Bless you always and much love from this side of the bay bridge!!!
