“ Hope, was and always will be my friend. She taught me all she knew about the retail business. I started working at McCroys and she was "my boss". There wasn't anything she did not know about McCroys. I will always remember, when I would come in after school, she would have my rags and cleaner , so that I could clean the shelves. But she also taught me about customers and how to approach people when buying items. I have always thought of her as "Miss McCroy" because she was always there. I will miss her smile and her attitude, she had a great one. I'm still in retail now and I still remember the things she taught me. Go my friend and be with "Chick", I know you missed him.
All my thoughts and prayers go with the family,
Joan Wilhelm
