“ *Many years ago, I use to bowl with Howard. I thought that he was a nice guy to everyone he came in contact with.*

“ *I did not know Howard personally, but certainly saw his face around Easton. I just want express my condolence. I, too have personally experienced the deep emotional emptiness death causes, but find support by reading the Bible, especially Revelation 21:4 . It says "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying." Aren't those words comforting to know that one day all the sadness of death will be gone. A Friend*

Brenda May you and your family find comfort knowing he is no longer suffering. Death teaches us not to be selfish but it does not teach us how not to hurt. Prayers are with all of you

“ I knew Bumps and his Mom and Dad for several years. I was working at Easton PD and would see and talk to Bumps at H&G Restaurant many times; about many things. It was always a pleasure to talk to him. Very quiet mannered but could make you smile even if you didn't feel like it. He will be missed. My condolences to his family and friends.
