

## Ian Grant Watson

January 4, 1984 - February 17, 2025

A full obituary will be posted when available.

# Tribute Wall

TA

“ *Ian I will always have fond memories of you with that big old grin on your face. Like that time that you came to visit me at Salisbury and you spent the night riding around in my friends wheelchair! We had a few good times together that I will always remember. God bless.*
