“ *Mrs Ilse was a second mother too me - I grew up in the house behind her in Overlea. I have fond memories of having pizza and other great meals with her and the family. She and Mr. Rudi were kind, welcoming and supportive people, treating me and my (single) mother like a member of the family. She had a strong will and loving heart - teaching us right from wrong - and giving us a piece of her mind in a her wonderful German accent when we needed it the most. She was a big part of my life growing up and I know God has a special place in heaven for her.*

So sad to hear this news, and our sincere sympathy to all. She truly was a beautiful woman, and her memory will live forever in my heart. You helped mold my childhood and treated me like a daughter, for that I will be forever grateful. May the angels lead you to paradise.

Much love, Karen (and Fred)
