My sweet Momma... we love you so much and this is so hard...from the first hug you ever gave me to the last hug and kiss, I never doubted your love. I miss you so much already but I know that you are with Pop, dancing like no one is watching. You taught us all to be strong and I'm not going to let you down... but It's not going to be easy. Love you to the moon and back, and more than all the stars in the sky...

“ We miss you so much Mom. I still find myself reaching for my phone to give you a call, to see how you are...what I wouldn't give just to hear your voice. God did truly bless us when he chose you and Dad as parents. You always called us your Greatest Treasures, I can not remember a time when you ever put yourself before our needs, showing your love in so many ways, never asking for anything in return. Right now I feel so lost without you. I truly wish Heaven had visiting hours... I'd visit you everyday. I love you Mom.
