“ *Joan, Terry, and Laura,*

I am so sorry to learn that Irwin passed away. I worked with him for several years at the Oxford Mews. He rented one of the apartments above the shops and then started to work part time at the Mews repairing bikes. We shared many stories about our kids. He was so happy when he found out he was going to be a grandpa! He left Oxford but stopped in often to visit and share more stories. I last saw him a few months ago at Easton Hardware. I bet we talked for an hour. Thru the years we became good friends and I will miss him. Donna Hayes
