*I had the pleasure of meeting Ms. Ivadell through a very close friend of hers, my sister Dottie La Placa. Ms. Ivadell and Dottie did a lot of traveling together especially the slots. I can remember Ms. Ivadell calling me on the way home telling me what a great time she had. Ms. Ivadell was a very caring, giving person. I will always remember her smile and laughter that filled a room. I will treasure the memories in my heart. We enjoyed having her at our family functions and seeing her have such a great time. I will miss her phone calls telling me of the 'mischief' that she and Dottie had been into that day. Prayers and thoughts for her family and friends. May God grant you all strength during this very difficult time. RIP my friend, you gained your angel wings and now you can watch over us. Peggy States Edwards*

“ *Shawn & family: deepest sympathy in the loss of your mother. Just met her last summer at your house during a crab feast. Our mothers teach us soon much, that even after they are no longer physically with us, there won't be a day that goes by where you either won't think of her or find yourself making gestures or saying something just as she would do. My siblings and myself always find ourselves saying "that sounded just like mom" or "you looked just like mom when you did that". Cherish your memories, be grateful she is at peace and speak of her often. The grieving process is painful, tears are like a wave while standing on the beach - you never know when one will come crashing and knock you down. Let them flow, they help wash away the pain and make the loss easier to accept in time. Love, Mom Doris*

“ *You have been in our thoughts and prayers all week and especially now. Ivadell was a great friend to our family and children. She always loved coming to family functions, birthday parties, graduation gatherings and baby showers and she loved eating out. We loved her as much as her family as she was part of our family too. She could always make you laugh and smile. I pray that you will find peace and comfort in knowing that she is no longer suffering. May God be with all of you at this difficult time. We love you and praying for all of you. Kenny & Betty Jo Embert*
