“ I have many fond memories of my dad from a very young age growing up in " Puppeville " My dad was the only living parent I've had for the last 19 yrs. I tried my best and was somewhat successful at rekindling our relationship. Life is not the same without your parents so treasure every moment you have. One of my fondest memories with my dad was when he would sometimes be working late at the " pump house" I would call him and even though he would make me beg every time , he would always fulfill my sweet tooth craving for a hot fudge sundae from the Dairy Queen! I will truly miss my dad and not being able to call him on Father's Day , birthday , etc. Love you dad.

I have fond memories of Uncle Walter, really cousin, leaning over the fence talking to my grandmother, his aunt, when he worked at the water plant in Rock Hall. Such a kind man.
