Jackie, I will never forget meeting you when we moved in next door in 1968. You had a shy smile - until you got to know us. I can still hear you calling across the yard, "Heeeey, Dot!!" The first time you met Charley, you pulled me close and "whispered", "Is he a good guy?" I told you I wouldn't be with him if he wasn't." You smiled and hugged me. "That's good. that's good." You said. Now you can see for yourself. I will see you both again some day. Until then I will miss you both.
