“ To Jack’s sons and family, very sorry for your loss. Jack was a great guy and a very close friend. For a significant part of my life he was my best friend. We had some great times together, hunting, helping each other and just being friends. Jack taught me a lot about hunting and how to be a good friend. I still remember the first time I met Jack over 50 years ago. We worked together for many years, and had lunch together just about every day. I have tears in my eyes while writing this, he will be missed. Goodbye my friend.
