“ *Growing up you were always there. I will never forget the way your clothes had to be creased just perfect and every hair in place. I remember the times fishing and crabbing eating bologna sandwiches and drinking pepsi. You never said a harsh word to me. You will always be in my heart until we meet again. Love You*

“ One year for Christmas pop pop let me go to the horse stall to see the horses after my mom said no, after walking outside I remember my mom walking behind me I was so happy. And when we came back in there was this pink barbie car sitting on the floor for me. Of all things to get me a pink barbie car that made my Christmas. I gave everyone a hug and kiss. Pop pop grabbed and let me sit in his lap while I opened the rest. This was one my favorite memories I have with pop pop. He took hold of a spot in my heart that was opened. I love you forever.

“ As hard as it is to know that you are gone it's that easy to know you are no longer suffering. What a wonderful asset you were to this family. Thank you for all you ever did for all of us. I know without a doubt my father wouldn't be half of who is without having you as an uncle, mentor and friend. Fishing, crabbing and racetrack memories will forever carry your memory with me. Rest in Peace Uncle Jackie!
