“ Dear Mary Lou and family,

*I am stunned to learn that my academic father, Dr. Jacob Fisher has passed on even though we all know this time comes to us all. Dr. Fisher was such a great man and I can truly say I loved him and now I miss him. I have had some success in my role as president of National University of Health Sciences over the past 25+ years and that success was in very great measure due to having been privileged to learn from Dr. Fisher. He was such a blessing to me personally.*

*Mary Lou and daughters I am so sorry I will not be able to get there in time for the funeral - just not enough time for arrangements to be made but I will surely be there in spirit.*

*In behalf of the entire National University Community, and from me personally and my wife Cynthia, I extend our deepest sympathy to all of you. At the same time, I personally rejoice with Jacob who now knows his Savior face to face. Jacob, my old friend, thanks for everything.*

*Most sincerely,*

*Jim Winterstein  
President  
National University of Health Sciences*
