“ My dear sweet Jackie. I loved all the times I spent with you and your family during the summer when I was growing up. We would listen to your 45 records, dance around, walk with your dogs, go swimming and just have fun. Jackie was the most kind, loving and gentle person I have known. May you R.I.P with your parents. You will be missed. Love you.

“ Jackie was our dear Cousin. She was the kindest, most loving girl I have ever known. She loved everyone and was so giving. She especially loved children in the family. She always asked that we send photos of our boys and the grandchildren. Her most asked request was to bring Aunt Anna (our Mom) down to the shore for a visit. She was devoted to her Mom and adored her Aunt. I never knew a kinder, more gentle soul. She was so accomplished even though she was challenged. She did more in her lifetime than most of us dreamed of. She was our first babysitter and we enjoyed her watching us. We could always make her laugh. We grew up a block away from each other and did many activities with her and Charlesy... like sleigh riding every winter. Our family was definitely better with Jackie a part of it. I will always miss you Cousin, big sister, friend. You were a true inspiration to us all. ❤️.
