“ *I have to smile, because the picture you all have chosen to post for your mom is a beautiful picture. She would be pleased you all chose that particular one. Much love and hugs are sent to all of the family, as I am so sorry for your loss. I will hold onto the memories of times spent at the house on Teal Point when she was there. Stay close to one another and know there are many thinking of all of you at this time. With love, warmth and sympathy - Melissa Guthrie 3/7/17*
