I am saddened to hear of my cousins passing. I have very fond memories of her love of family, her determination, strong will, and willingness to help. Although I have not kept contact, I thought of our times on vacations together with laughter and joy.

“ I will always remember Jackie and the things that she, Betty, and I did together. Her family was always special to me. I think Jackie and Betty were my very first playmates, even before we started school. I am so sorry that over the years we lost touch with each other but was able to visit at Jim's services. I know she will be greatly missed. Prayers to all of the family.

“ A limb has fallen from the family tree.
I keep hearing a voice that says, “Grieve not for me”.
Remember the best times, the laughter, the song.
The good life I lived while I was strong.
Continue my heritage, I’m counting on you.
Keep smiling and surely the sun will shine through.
My mind is at ease, my soul is at rest.
Remembering all, how I truly was blessed.
Continue traditions, no matter how small.
Go on with your life, don’t worry about falls
I miss you all dearly, so keep up your chin.
Until the day comes we’re together again.

She was always a loving, polite and caring person and I was not surprised to hear that she went into the nursing profession. I was so happy that I got to see her at Alyssa's wedding. She and Tom seemed so devoted to one another. My heartfelt love and condolences.*
