“ *Mickey and Jenny, know that Alice and I are keeping you in our prayers. We know that this part of the journey, losing a parent, especially a mother, is difficult. I remember fondly the time spent at your home or at your grandmothers - I still make her Italian cookies, just the way she taught me. Memories are God's way of keeping our loved ones close.*

Take care and God Bless You

“ Mickey and Jenny,

Know that you are in my thoughts and prayers. This is never an easy journey, even when we think we have prepared ourselves for the inevitable.

I remember your Mother from Band Boosters days; she loved everyone of us like we were family.

A friend told me when Mother died in 1998: As long as you say her name and tell her stories, she'll never be far away from your heart.

Sincerely,

Susanna (Arnold) Fitzgerald

“ Jenny,
So sorry to hear about your mom. I read the Daily Sentinel every morning, course that doesn't take too long, so that I can keep up with the obits. It is so easy to loose track of people when you move away. I didn't even know that your mom didn't still live in Pomeroy. Just letting you know that I was thinking about you and Mick..it's hard loosing a parent..I am currently driving home every week end to help take care of my mom and to give my sister a break..it's tuff times right now but we will get though it. It was great seeing you last summer at the reunion.

“ We are so sorry to hear of Jackie's passing. I met her through Hal & Audry Westfall back when all the neighbors used to visit on someone's porch during the summer months. Jackie was the neighborhood humane person who kept up with all the local pets. She has been missed since she left Millwood. To the family - we are so sorry for your loss.

“ We were so sorry to hear of the passing of Jackie. Tom and I and our 2 boys lived just down the street from Jackie in Millwood, WV. She was a wonderful lady, neighbor and friend. I have good memories of sitting on her front porch talking about our dogs. She did love dogs. Our black lab, Rebel, would climb our fence everytime a storm came. If we weren't home he would run straight to Jackie's and she would let him in to wait out the storm or for us to come home. Our prayers our with your family. “ Jenny (Seed) and Mickey - I was so sorry to hear about Jackie. I have so many fond memories of watching OSU games together, playing volleyball and vacations with your family let alone all the spur of the moment and terrific suppers your mom made for us. She was like a second mother sometimes - always caring and always willing to lend a hand! Please let me know when the service will be and I will try to get home. I pray for peace for all of you and your dog that she so loved! Love, Melanie###imported-begin##Melanie Burt Davis###imported-end##

We are sorry to here about your mother's passing. We know how wonderful she was, since we both grew up in Sugar Run. I am the youngest of the Goodwin klan and Sherry is the youngest of the Holt klan. We moved back to the area (Meigs Co.) bought a farm and retired from the rat race.

“ Jenny,

Sorry to hear about Jackie's passing and our prayers are with you, Mick, and family.

I/We were fortunate enough to grow up with a lot of good adults at home, and your parents were two of them - thus I'm better today because of each them.

Peace and blessings to you.
