When I think of Jacki Carter, the word that comes to mind is beauty. Her goodness radiated from her and touched all those she met. The pillars of Character Counts encompassed who she was and how she lived her life. Thank you Jacki. I will miss you.

What a beautiful person who believed in and supported so many others. I will miss seeing her beautiful smile. She made our community a better place to live in with respect for all.

I was so saddened to hear of the loss of Jackie earlier today. We worked together for quite a few years when she was employed with AACo Recreation and Parks School Age Child Care. She taught me so many things. We laughed, cried and shared a lot of stories. Jackie was an extremely energetic and knowledgeable educator and passed on to all her passion about being at peace with each other and with ourselves. I have many good memories about her and I am certain she will be missed by many!

Jacki's passing is not just a loss for her family and friends, it is a great loss for our community as well. She constantly worked for the best interests of us all, especially the children, taking action in her very thoughtful and organized way. And who could forget her sense of style with those wonderful hats and fascinating jewelry? She was a great woman, I know that I, like so many others, will miss her presence.

“ Jackie was an angel on earth. She had the patience of Job when working with the children. She helped so many students at Pasadena in the daycare after school. She will never be forgotten and rest assured she will be waiting for you in Heaven. It was my pleasure to have known and admired her. May God bless you all.

“ *Mark and Girls,
Jackie was such an inspiration to me during our time at AACo
SACC. She and I spent many hours talking, teaching and hopefully
inspiring those who work with children to a better level of care for
our children. We lost touch these last couple of years but she was
never far from my mind and our mutual love of children and what thy
and their families need to be successful. My thoughts and prayers
are with you all.*

Thank you for posting this beautiful picture of my mom. She was often the person in our family that was taking the pictures so we have far more recent pictures of us than of her.

To the Carter family. As you know your MOM was a wonderful person and did so much for children and families in Queen Anne's County. She will be missed. But know she is in heaven free of cancer and pain.

Condolences and prayers go out to the Carter Family. Your wife/mom will not be forgotten. She was so amazing with my daughter, Erin and gave her opportunities that empowered her. And her laugh. I don't think I've ever heard a better laugh than Jacki Carter's. She will be so very missed.
