“ I am so saddened to hear of Pats Passing... I just saw him at the RoFo in Queen Anne not long ago. He was a great friend to my first husband and I and we spent many great times together in the earlier days. He was a very funny and kind man. I will miss knowing he is no longer with us. Time changes many things and I wish his entire family and his children, peace and prayers in this difficult time. I am glad he was doing what he loved and Im sure he's riding a motorcycle in heaven... Prayers to you all...

He not only took good care of my HVAC , but was always soooo especially kind to me and responsive to my needs . I am an 86 year old widow and I will miss him!

To the family and friends of Pat. I am lost for words after reading this obit today. Pat's grandfather Mr. Lloyd Andrew hired my dad to work on his farm years ago. Pat and I were neighbors and visited often then. I actually was his sitter at times. It is unfortunate as time goes by we lose touch with many. I send my deepest condolences to all of you. May God grant you the strength you need during this most difficult time. Please know my prayers and thoughts are with you. Peggy States Edwards

“ Jeff Chipley and Hope Herring will forever remember Pat Andrew for...
*Being a wonderful, caring, kind friend and neighbor all last summer. Sharing our extra crabs only to have an excellent crab dip come back.
A fabulous 2016 Thanksgiving dinner with all the trimmings all made by Pat
and after eating, well into his third slice of my pecan pie, Pat grumbling about how terrible it was then reaching for yet more.
Mostly his smile that always reached his eyes, and the way he loved his wife Nella.*
