“ *Mr. Bob was my 4-H Leader at the Grange Hall Livestock Club. Growing up this man taught me a lot, not just about livestock but life itself. He taught me the power of compassion, kindness and humility - traits rarely found in the world today. As a man I challenge myself daily to live by the ideals that Mr. Bob instilled in me and my fellow club members. The world is truly a lesser place without Mr. Bob.*

“ I am so sad to learn of Mr.Bob's passing. He truly was a pillar in his community. Mr. Bob, I know where "your" wagon is that was loaned so many years ago to that get near 301. I always loved hearing your stories. I recall you, Allen and I taking a ride back to the Tuckahoe on the 4 wheeler to check on some fish and the helicopter making a circle. We laughed about that for years but it was also the end of our perch fishing. I will miss you dear friend.

“ Thank you, Mr. Bob for giving Sudlersville Senior Center a chance! I am not sure who loved who more, but we were truly blessed with your presence! The laughter and the stories will not be forgotten. But, most of all, I will always remember and cherish the kindness you showed to every single member! That day when I said to you, I did something you asked me not to do, you immediately said, you called Nancy, didn't you? Well, I said, yes I did and she would like to pick you up today because she has just missed the living daylights out of you today. And, that made you laugh even during a not feeling so good moment. And, my favorite that I guess only our members will understand: Utah, me short!! It is time for you to rest, but hope you will watch over us with a smile! My heartfelt condolences go out to your family who loved you beyond measure. Miss you already, but your name will stay alive in our center! Until we meet again.....
